## Healthy Recipe of the Week

# SNOWMAN BAGELS

Here's a snowman friend that won't melt away once winter is over! A simple and nutritious snack the children can make themselves and add their own personalities to!

## INSTRUCTIONS

1. Split your bagel in half.
2. Spread cream cheese over your bagels and place it on a plate.
3. Use blueberries and line them along the bottom half of your bagel to be the "scarf" for your snowman.
4. Taking 1 baby carrot, place it in the hole of the bagel for the nose.
5. Using raisins, place 2 for eyes and 5 for the mouth.
6. Place 1 bread stick horizontally on the top portion of the bagel to be the hat brim.
7. Pile some raisins in a rectangle above the stick to be the hat shape.
