APPLE MONSTER TEETH

Take a bite out of this simple Halloween themed snack! A sweet and salty combination of flavours the kids will love.

INSTRUCTIONS

- Slice apples in half, and then into quarters. Slice the quarter pieces into thin slices.
- Spread WowButter between two apple slices to act as the glue for the teeth.
- Line a few mini marshmallows along the outside rim of one apple slice, and then sandwich two apple slices together, creating the bottom and top of the mouth
